

Kentucky Dentists Term Life Insurance Plan

A few minutes of your time right now could mean the world to your loved ones later. Term life insurance can be a cost effective way to provide life insurance benefits at a reasonable cost. Select a benefit amount of up to \$2,000,000 and submit your application today.

Who is eligible for coverage?

As a member of Kentucky Dentists, you and your spouse are eligible to apply if you are both under the age of 65. As an insured member, you can also insure your dependent children, age 14 days to 26 years, for \$10,000*.

What amount of Life insurance is right for you?

You can choose an amount between \$100,000 and \$2,000,000, in \$5,000 increments. Your spouse may also apply for up to \$1,000,000, but cannot exceed your elected amount.

What plan options do I have?

- If you are under age 55, you may enroll in either a 10 Year or 20 Year Level Term plan.
- If you are under age 65, you may enroll in a 10 Year Level Term plan.

What are the renewal terms of this coverage?

Your coverage cannot be canceled as long as you pay your premium when due, have not reached age 75, remain in an eligible class, insurance continues for your class and the policy remains in force.

Would I have the ability to convert this Group plan to an Individual plan?

Yes. If your insurance ends for a reason other than non-payment of premiums or request for cancellation, you may be able to buy an individual life insurance policy issued by MetLife and affiliated companies without providing evidence of insurability. The amount of the new policy may be limited depending on the reason your insurance ends.

Affordable group rates

Your association group purchasing power means you receive quality coverage at affordable group rates. Your individual premium will remain level for the initial term under the 10- or 20-year plans. Your premium will not increase during the initial term due to your age or health status.

*Please note, the amount of spouse or dependent coverage may vary by state laws and is subject to the limits imposed by individual states.

**If answers to medical questions are unfavorable, then full underwriting may be required and coverage is subject to approval of insurer.

- *Quick application process (no medical exam required unless required by current medical history)***
- *Up to \$2,000,000 of Life coverage*
- *Competitive group rates*
- *Availability of Living Benefits*
- *End of term protection*
- *Optional Accidental Death and Dismemberment insurance up to \$500,000*

End of term protection for level term plans

After the initial 10-year or 20-year term period, you have the option of retaining your coverage in the Annual Renewable Term Life plan to age 75, regardless of health with the cost increasing over time.

Attractive plan benefits

Availability of living benefits: You can receive benefits during your lifetime. A special provision allows you to receive up to 80 percent of your life insurance benefit up to a maximum of \$500,000 if you are diagnosed with a terminal illness with a life expectancy of 12 months or less.***

Easy application

Members and Spouses under age 40 may apply for up to \$500,000 on a simplified, non-medical application form, or online at www.NIAI.com.
